Your obligations under this section of the policy in no way restrict the *insurer's* right to bring a subrogated claim in your name against the third party and you agree to cooperate with the *insurer* fully should the *insurer* choose to exercise its right of subrogation.

Zurich Travel Assist on the *insurer's* behalf reserves the right to decline any application or any request for new terms of coverage.

The *insurer* shall, upon request, furnish *you* or a claimant under the contract a copy of the application.

### Material Facts

No statement made by *you* or a person insured at the time of application for the contract shall be used in defence of a claim under or to avoid the contract unless it is contained in the application or any other written statements or answers furnished as evidence of insurability.

### Termination

*You* may at any time request that this contract be terminated and the *insurer* shall, as soon as practical after *you* make the request, refund the amount of premium actually paid by *you* that is in excess of the short-rate premium calculated to the date of the request according to the table in use by the *insurer* at the time of the termination. Please refer to the Claims Procedures section.

If *you* do not provide the required supporting documentation, *your* claim will not be paid.

- a) the notice or proof is given or furnished as soon as reasonably possible, and in no event later than 1 year from the date of the *accident* or the date a claim arises under the contract on account of *sickness* or disability if it is shown that it was not reasonably possible to give notice or furnish proof within the time so prescribed; or
